The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy

The W.P.A. Project was DISCONTINUED in March 1895, There are NO RECORDS found from March 1895 - untill March, 1900 thru 1935 with a few counties.

As you can see by some pages how **frail** and **fragile** these pages are, after all they are over 50 years old and paper does deteriorate with time, The Dept. of Archives and History by this time may have retired these files from public use but are on Microflim titled "Alabama State Wide Marriages" by Family Adventures which is no longer, (These include many counties that were not done by the W.P.A. Project workers) I have the master copies for those state wide marriages which can be sold as a set containing over 10,500 pages in book form for $ 1,295.00 or by Alphabet letter which vary in price, Also can be purchased by **SURNAME State Wide** $14.00 per SURNAME which is ALL of a surname. I also have the master copy made from the Dept. of Archives & History which some of them were made from old time Carbon Copies which were very difficult to read, these I have typed out, all others that were legible and you can see the exact way they would appear at the Dept. of Archives and History, I Thank Frazine Taylor for helping a fine gentleman and Gelealogists, Floyd Weatherbee for the hours he stood at the copier there and mail them to me, a task we have all done a lot of and sore feet and back, but that goes with Genealogy.

THESE RECORDS DOES **NOT** MEAN IF YOUR ANCESTOR IS NOT LISTED IN THESE FILES MAY NOT BE IN THE SAID COUNTY, MANY WERE DESTROYED BY FIRE AND WAR TIMES, TO OBATIN A COPY OF THE ACTUAL MARRIAGE LICENSE **PLEASE WRITE TO THE COUNTY SEAT COURT HOUSE FOR A COPY**, many of them do charge for their services, I have provided you with a start to locate your ancestor, If there are any mistakes in the typed copies I apologize.
For the most the copies are just as they appear and some are on legal size paper.

Sincerely:

David Muckleroy
